Need to conduct inventory of PAC items.

Are there items kept outside of storage ?

### 4- website , Facebook, communicating

Need website update (contact page etc).

Need access to email.

More direct messaging.

Need to encourage members to use links to register and pay fees.

### 5. Kosciuszko Boulder by FCHS

Boulder inspected by Kris. Completely unsafe place to stop and conduct any cleaning.

Board discourage anyone to attempt it .

Boulder placed over there in 1980's . If Franklin County Historical Society decides to move it , to let's say Kosciuszko Park (more appropriate place), only then we can discuss it.
