

Helena Rempala

Candidacy for _____ President of the PAC

Dear PAC Members,

My name is Helena Rempala. Together with my husband, Grzegorz, we have been members of PAC since 2013. As you may recall, in the past I served on the Board in various roles (mostly as its Secretary or its Trustee). After taking a break for a few years, I am coming back as a candidate for the President with... somewhat of an agenda. If elected, in addition to supporting the Board in the organization of the regular PAC activities, I would like to:

1. Revisit the efforts to keep the PAC bylaws relevant given the technological changes/challenges.
2. Establish a mutually beneficial relationship between the OSU students' Polish Club and PAC.
3. Strengthen the ties between the Catholic members of PAC and the Saint Christopher Parish.
4. Revisit the need and possibility of Polish-speaking events for the youngest (and newest) members of our community to foster the Polish language.

I am inviting everyone to volunteer for the Club. Come out and vote.

Helena
